

Women Development Cell
Shri Chhote Shah Government Degree College Mendhar
Annual Gender Sensitization Action Plan 2023-24

Women Development Cell of the college in association with different departments or committees organized various activities every year for the promotion of gender equity to ensure fairness of conduct for both women and men as per their various needs.

The Women Development Cell of college under the able guidance of Dr Mohammad Azam, Principal Shri Chhote Shah Government Degree College Mendhar organized a meeting with IQAC of the college in which following "Plan Of Action" was framed for carrying out various activities on gender sensitization during the academic session in order to create an awareness among the students about various gender issues.

Objectives:

Women empowerment with different perspectives like gender equality, entrepreneurship, Self-defence, health and hygiene, self-confidence, Yoga session etc.

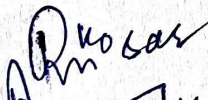

Outcome:

There will be all-round development of Women in terms of self-defence, self-Confidence, yoga and entrepreneurship.

The activities proposed under Gender Sensitisation action Plan of 2023-24 are as under :

1. National Girl Child day celebration on 24th January.
2. International Women's Day on 8th march.
3. International girl child day celebration on October 11.
