

Department of Urdu

GDC Mendhar

The Department of Urdu was established Since the inception of this College in 2005 for teaching of Urdu language and Literature at under graduate level. Needless to Say that urdu is not only a language but a Civilization also. So it plays an important and Constructive role in the society we are living in and the System we are dealing with. The Department of Urdu right from its inception took remarkable initiatives in providing the opportunities to the Students and other stakeholders to expose their hidden talents with respect to use of language and literature. In this Connection Department purposes to move ahead in new directions every day. Literature as it is said, " is mirror of Society" through which we as part and member of the Society can view the various aspects/faces of the people and society as well. Efforts are being made to make Students aware about the role of language and literature in the society and also inculcate the moral and ethical values among them (Students). They are also motivated to work for Social values, brotherhood, National integration and mutual understanding besides their academic pursuits. Efforts are also being made to make the students well versed in language and Communicative Skills and guide them to opt the areas keeping in view the modern Challenges, market needs and better future.

The Program Outcome.

The program aims to provide Students with Specific knowledge and skill to their discipline and career. As we know all the progress and achievement of mankind is a result of values, ethics and morality based on literature. The discipline of literature is the only one which plays/ can play a Constructive role in shaping and giving new direction to Society. It is only literature that makes human beings more moral, more humane and more Sensitive towards Society and makes its worthy to live in. After obtaining the degree of Bachelors in Urdu language and literature, they would gain a thorough grounding in the fundamentals of language and literature and would find various opportunities regarding Careers in different fields like Journalism and mass Communication, translation, film, Script writing, play writing, Short Story writing, news reading, broadcasting etc.
