Department of Arabic

Govt. Degree College Mendhar

Arabic is an international language spoken and understood in more than 23 countries of the world. It is the official language of over 20 countries and there are about 425 million speakers of Arabic across the world. It is also the language of the holy Quran. Arabic Language is included as the 6th official Language in the United Nations because of its widespread usage all over the globe. With the rise of globalization, Arabic is an increasingly useful language on the job market. Knowing Arabic opens opportunities in business, government, nonprofit, education and beyond. In spite of its prevalence, many countries report a shortage of Arabic speakers.

In fact, the Arabic knowledge is such a desirable skill that many governments' colleges and universities have given such opportunities especially for studying and recruiting jobs opportunities.
