ABOUT THE COLLEGE

Established in 2005, SCS Govt. Degree College, Mendhar has been a cornerstone of higher education in the border region of Poonch district, Jammu & Kashmir, serving as a catalyst for intellectual, social, and cultural growth. With a mission to bring quality education to this far-flung and strategically important area, the college has steadily evolved into a dynamic academic institution over the last two decades.

Situated amid the verdant slopes of the Pir Panjal range in Tehsil Mendhar, the college offers a peaceful and inspiring environment that naturally fosters learning and character development. Affiliated to University of Jammu and recognized by the University Grants Commission (UGC) under sections 2(f) and 12(B), the college offers undergraduate programs in Arts and Science along with value-added and skill development courses. In step with the transformative vision of the National Education Policy (NEP) 2020, SCS GDC Mendhar is embracing academic flexibility, multi-disciplinary learning and holistic student development.

Over the years, the college has created a rich academic culture rooted in inclusivity, critical thinking and civic responsibility. Students from diverse backgrounds and remote locations converge here to build futures grounded in knowledge, ethics and ambition.

The campus is equipped with well-ventilated classrooms, smart classrooms and fully functional laboratories, ensuring a productive academic environment. In addition, the college takes pride in its green, eco-friendly campus, which reinforces our commitment to sustainability.

SCS Govt. Degree College, Mendhar is not just a place to earn a degree—it is a place to discover your potential, engage with the community, and emerge as a well-rounded individual prepared for life's challenges.

The SCS Government Degree College aims to provide a futuristic, high-quality education with global standards, focusing on individual attention, character building, and improving the quality of life for its students, especially those from local and rural areas. The college strives to advance knowledge through instructional and extension facilities, promoting innovations, interdisciplinary studies, and national and international understanding.

Vision

To impart futuristic education and instill high global standards through dedicated staff, aiming for academically strong and morally sound students.

Mission

To provide individual attention, quality education and character building, especially for students from local and rural areas, aiming to improve their living standards.

Objectives

To disseminate and advance knowledge, promote innovations, interdisciplinary studies, national integration, secularism, and international understanding.

INFRASTRUCTURE

Spread across 60 kanals of land, the college campus provides an ideal environment for learning and growth. It is equipped with a robust physical infrastructure, including a well-stocked library, well-maintained laboratories and smart classrooms fitted with air conditioning to enhance the learning experience. The campus also features a botanical garden, spacious playing fields and dedicated spaces for cultural and sports activities.

NATIONAL EDUCATION POLICY (NEP) 2020

The **National Education Policy (NEP) 2020** marks a transformative shift in India's educational landscape. Aiming to make education more holistic, flexible, and multidisciplinary, NEP 2020 emphasizes **creativity, critical thinking, skill development, and learner-centric approaches** at all levels.

At **SCS Government Degree College, Mendhar**, we are committed to implementing NEP 2020 in both spirit and practice. The college has restructured its curriculum since academic session 2022-23 to align with the policy's **Four-Year Undergraduate Programme (FYUGP)** model, offering students **multiple entry and exit** options and a blend of academic and vocational courses.

Four-Year Undergraduate Programme (FYUGP) under **NEP 2020** follows a **Choice-Based Credit System (CBCS)**, offering students flexibility, academic mobility and a multidisciplinary approach.

Key Features of the FYUGP Structure:

- **Multiple Entry & Exit Options**
- **Credit-based Progression** (as per UGC guidelines)
- Emphasis on **Major, Minor, Multidisciplinary, Skill-based** and **Value-Added Courses**
- **Internships / Field Projects / Research** integrated from Year 3/4 (Sem V/VII) onwards

Year-Wise Framework

<u>Year</u>	<u>Exit Option</u>	<u>Credits</u>	<u>Qualification Awarded</u>	<u>Focus Areas</u>
Year 1	Exit after 1st Year	44	Certificate	Foundation Courses, Minor, Value-Added, Multidisciplinary & Skill Enhancement Courses
Year 2	Exit after 2nd Year	88	Diploma	Major + Minor + Skill Enhancement+ Multidisciplinary
Year 3	Exit after 3rd Year	132	Bachelor's Degree	Discipline-Specific Core + Multidisciplinary+ Internship
Year 4	Completion	176	Bachelor's Degree with Honours	Advanced Major + Research Project/Dissertation

Course Components per Semester

- **Major (Discipline Core)**
- **Minor (Elective from Other Discipline/subject of same stream)**
- **Multidisciplinary (From Stream other than Core/Major subject)**
- **Ability Enhancement Courses (AEC)**
- **Skill Enhancement Courses (SEC)**
- **Value-Added Courses (VAC)**
- **Internship/Research/Project (4th Year)**

This structure is designed to give students the **freedom to design their own academic path**, blending traditional knowledge with modern skills and values.

The undergraduate degree should be of either a three year or four-year duration, with multiple entry and exit options within this period. The four years bachelor's programme is the preferred option as it allows the opportunity to experience the full range of holistic and multidisciplinary

education with a focus on major and minor subjects as per the student's preference. The undergraduate programmes shall extend over four academic years (eight semesters). The students can exit after the completion of one academic year (two semesters) with the certificate, diploma after the study of two academic years (four semesters) and regular bachelor degree after the completion of three academic years (six semesters). A candidate who successfully completes a three-year bachelor's degree with minimum CGPA of 7.5 and wishes to pursue the fourth year of the undergraduate programme shall be allowed to continue the programme to obtain the bachelor's degree with honours/research.
